OK. Great.

Any progress on Access or a workplan?

Jake,

I don't believe we have spoken to Kathy about this site but we received some good information regarding local species and ecology from NPS, US Fish and Wildlife and academic researchers. This information will be taken into account when preparing the HRS package.

Thanks,

Justin Bleiler

Did you ever contact Cathy Patnode about endangered species in the area, or someone from USFWS?  
Thanks
